

A businessman, entrepreneur, and a philanthropist, Albert Herzstein dedicated his later years to the charitable foundation that bears his name and that of his equally generous wife, Ethel. Following in the footsteps of our founders and their deep commitment to American Values, our principles are guided by a fundamental belief in limited government, individual freedom, equality of opportunity, self-sufficiency, hard work, and resourcefulness.

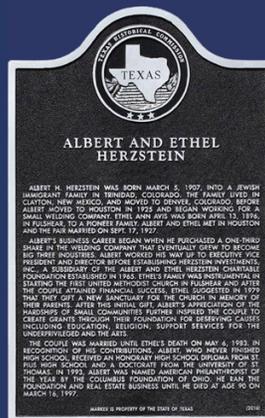

## Our Mission

Building on the Herzsteins' belief in the transformative power of education, the Foundation strengthens communities, empowers individuals overcoming adversity, preserves the heritage of Texas and the United States, and helps every person realize their full potential.

The Albert and Ethel Herzstein Charitable Foundation advances the vision of its founders through dedication to Judeo-Christian beliefs and American Values, specifically:

- Free Enterprise • Limited Government
- Individual Freedom • Equality of Opportunity
- Self-sufficiency • Hard Work • Resourcefulness
